...christmas eve

Dear Guests,

just one more night then Christmas evening is here.

We can't wait.

To be honest... we don't even know, how to celebrate Christmas in a hotel. :)
This is why we want to spend it like every year... and that with you and our whole
family...all together.

This is how Christmas looks like with us :

16.30 **Torchlight hike**
to the church in saltaus (sign in at the reception)

18.30 **„Let's celebrate Christmas“**
Mulled wine at the fireplace

19.00 **Christmas Dinner – Surprise :)**
with our favourite Christmas dishes

afterwards

Our traditional Christmas party ♥
in the “New Restaurant” - Esszimmer

It's not a must... Feel like home. And it's your choice, how to spend the evening.
We would be happy to have you with us and can't wait for it! :)

Thank you for being with us.
