Just one more sleep... Then we can celebrate the new year's eve. The preview is growing. Who knows us, knows that we can celebrate parties...;-) Therefore, we have prepared a very special program.

And this is our Masterplan:

00:10am **Beats in the bar**
Open End Party

And you want to join?! We ask you to be on time, that our master plan works ;) and we are already looking forward to it, to start a new year together with you...

Last but not least:
